Subject: Ocean Front Speed Survey
Date: Friday, September 16, 2016 9:55:05 AM

Tara, we had a chance to get out and get a sample of the speeds on the Ocean Front.

	BIKES	ROLLERBLADERS	SKATEBOARDERS	SURREYS	SEGWAYS
COUNTED	44	2	2	0	0
AVG SPEED	9.5	7.5	10	NA	NA
MAX SPEED	14	8	11	NA	NA

Notes:

1. Survey was taken Wednesday 9/14 from 1:40 to 2:40 pm
2. The Ocean Front was fairly open promoting "free flow" of users
3. No Surreys or Sergways were observed
4. Wih less congestion on the path, cyclists travelling at 14 appeared to be in control and operating in a safe manner for the conditions.
